

**Anne T. Chapman**

Vice President, Investment Operations  
Capital Research and Management Company

Anne Chapman is a vice president of Capital Research and Management Company, a wholly-owned subsidiary of Capital Group. She joined Capital in 1989, and currently manages the firm's proxy voting efforts, overseeing the Governance and Proxy team which numbers 20 associates globally. She works extensively with investment analysts and portfolio counselors on broad-based and company-specific corporate governance, compensation, and social and environmental issues. Anne also participates in the formation of Capital's proxy voting policies, as well as the firm's engagement efforts with portfolio companies.

Anne received a BS in business from the University of Redlands. She is a member of The Society for Corporate Governance and the Council of Institutional Investors. She participates in numerous industry working groups including the Broadridge Independent Steering Committee and the National Association of Corporate Directors' institutional investor advisory group and is a frequent speaker on corporate governance topics. She serves on the American Red Cross Los Angeles Region board and is Vice Chair of the Executive Advisory Board for the University of Redlands School of Business. Anne is based in Los Angeles.
