

Shannon McClure

Director, Corporate Planning
Kaiser Aluminum Corporation

Shannon McClure is Director of Corporate Planning for Kaiser Aluminum Corporation (NASDAQ: KALU), a leading producer of fabricated aluminum products for aerospace/high strength, general engineering, automotive and custom industrial applications. As a member of both the Investor Relations and FP&A teams she is has responsibility for a range of cross functional activities including the analysis and communication of financial performance, long and short term planning processes, and development of presentation materials for key stakeholders including executives, shareholders, lenders and Board of Directors. Prior to joining Kaiser Aluminum in early 2014, she held various finance roles with increasing responsibility in both public and privately-held companies including 9 years with Gateway, Inc.

Ms. McClure attended the University of California, Irvine where she received a Bachelor of Arts degree in Economics with a minor in Psychology. She earned her Master of Business Administration degree from Loyola Marymount University with an emphasis in International Finance. She is a Certified Management Accountant (CMA), Investor Relations Charter (IRC) holder and a member of the Institute of Management Accountants (IMA) and the National Investor Relations Institute (NIRI). She resides in Mission Viejo and enjoys the many opportunities for outdoor activities that California has to offer. When she isn't paddleboarding, running or checking the highest peaks off of her hiking list she can be found on her never-ending search for the best sushi.
